September 01, 2015

To,
The Hon'ble Prime Minister of India
South Block, New Delhi.

Sub: - Plot To Construct, maintain and Finance the Jhulelal Temple
(Our Ishtdev God).

Respected sir,

With reference to the aforesaid matter, we have to adjure you as
under:-

That Sindhi Samaj is a Progressive community and has been largely
contributing in the economical development of our country. After the
unfortunate and ill-fated partition of our country in 1947 & the
resultant circumstances, Sindhis from Sindh were overnight rendered
homeless as the whole state of Sindh merged with Pakistan. Having
lost everything including its motherland i.e. "The SINDH STATE",
today, over 70 lac Sindhi Hindus of Sindhi Community are scattered in
all over India and 30 Lac Sindhi Hindus in all over world. They are all
victims of the cruel partition of India which rendered them stateless &
reduced them to political orphans in India. They now turn to you to
redress their genuine grievances.

We state that Sindhi Community is basically a business community as
several leading business houses in India as well as abroad are owned
by Sindhis and thereby contributing to economic progress of our
country. Such Big & small businesses, traders, Exporters, Small scale
Industries & other establishment of Sindhis are paying thousands of
crores of Rupees as as and by way of relevant taxes in various parts of
our country every year. We further state that Millions of Dollars &

other hard currencies are being brought in India every year by NRI Sindhis from all over the world. In this way more than 5% of DGP is being contributed by Sindhis in the Country every year.

We humbly request you to allot us a plot of land of atleast 5 acre and to finance to construct a huge jhulelal temple our **Ishtdev** Lord Jhulelal. He appeared in Sindh from the Indus River to safeguard to Hindus religions .the land may be allotted on the banks of river Jamuna near Delhi.

We would like to construct a huge Jhulelal temple on international level with multiple complexes for our various activities. This will be a Holy Tirth Dham where Sindhis from around the world will pay a visit with their families. Since we do not have a state of our own, hence we seek support from the centre to allot us the plot of land to fulfill the aspirations of our community, and to maintain our identity.

We Sindhi Council of India as spoke persons of our community on behalf of 100 Lakhs Sindhis of India and abroad earnestly request & pray that our above said demand may kindly be considered sympathetically & legitimate grievances of the community be redressed. It is also requested that suitable time may kindly be given to us at your earliest convenience so that a delegation of 21 members of prominent Sindhis from India & abroad may come to meet your good self personally in this connection and further explain our problems. We await your sympathetic and favourable response for which we shall always be grateful to your good self.

Thanking you,
Yours Truly
For, Sindhi Council of India

Parmanand Khattar
(National President)
